**Notting Hill, London, 10<sup>th</sup> February 2012** – Pipetto, premium British designer and manufacturer of luxury, functional cases for the Apple iPad, MacBook and iPhone brings you an Apple exclusive Valentine's Day gift.

Designed for full in-case usability and protection while maintaining an elegant and slim form-factor, the Pipetto Patent Flip case for the iPhone 4 and iPhone 4S offers premium luxury and craftsmanship. Hand-crafted from full grain, Italian leather, this designer case protects the iPhone from drops and scrapes while the minimalist interior frame fits precisely to provide a user full in-case access to iOS swipe notifications, volume and voice controls, as well as headphone and charging ports.

The Harlequin 4/4S Flip case comes in five colours: black purple, red, cream and a premium quilted lambskin. The range is designed exclusively for Apple and can be purchased through [pipetto.co.uk](http://pipetto.co.uk) and Apple online, for £59.95 (or €69.95 Europe-wide). <http://store.apple.com/uk/product/H7672/pipetto-patent-flip-case-for-iphone-4s>.
